

21 May 2018

Request

As below, please can you provide me with the following information from the 2018 election:

- 1) The total number of islanders registered to vote in each parish.
- 2) The estimated number of islanders in each eligible to vote (in order to find out the percentage of islanders who registered).
- 3) A breakdown of the number of voters in each parish by:
 - 3a) Rough age demographic (16-30, 30-50, 50+ would be fine, narrower age brackets would be perfect).
 - 3b) Racial origin of voters, if possible.
 - 3c) Gender of voters, if possible.

Response

1. The total number of islanders registered to vote in each parish for the 2018 elections is as follows (this and other information about the 2018 elections is available on vote.je/results-2018/):

Parish	Total no. on electoral register
