<p>The Parish is a 'controller' under the Data Protection (Jersey) Law 2018 and we process and hold your information in order to administer licences for the retail sale of fireworks under the Explosives (Jersey) Law 1970 in accordance with our statutory obligations. Below, we explain what we collect; how we will use your information; and what your rights are.</p>		
<p><b>Data we collect:</b> We have collected your personal details (name; address; contact details and address of the premises from which fireworks are to be sold by retail) in order to administer permits for the retail sale of fireworks in accordance with the Explosives (Jersey) Law 1970.</p>	<p><b>How we use your information:</b> We will endeavour to keep your information accurate and up to date, although we rely on you to inform us of any changes in accordance with the Explosives (Jersey) Law 1970. We do not keep your information for longer than is necessary. The Parish retains the application form and permit for no more than 5 years. We may share your personal details (name; address; contact details and address of the premises from which fireworks are to be sold by retail) with the Fire and Rescue Service so they may inspect the premises and provide advice to us so that we may determine your application. We will not pass any personal data on to anyone other than those who either process information on our behalf or because of a legal requirement and we will only do so, where possible, after we have ensured that sufficient steps have been taken by the recipient to protect your personal data. At no time will your information be passed to organisations for marketing or sales purposes or for any commercial use.</p>	<p><b>Your rights:</b> You can ask us: to stop processing your information; to correct or amend your information; for a copy of the information we hold about you. You can also: request that the processing of your personal data is restricted (in certain circumstances); and withdraw your consent to the processing of your information. You can complain to us about the way your information is being used by contacting our Data Protection Officer (details available from the Parish) alternatively you can complain to the Information Commissioner by emailing <a href="mailto:enquiries@jerseyvic.org">enquiries@jerseyvic.org</a>.</p>

## Conditions of issue of Licence to sell Fireworks

- 1) The fireworks will be kept at the following address:  
 .....

### **BULK STORAGE –**

- 2) The maximum permitted quantity of fireworks which may be stored in an approved store at any one location must not exceed 900 kg net mass.
- 3) Where quantities in excess of 50kg net mass are stored, the fireworks must be kept in an approved building substantially constructed or in an approved securely constructed fireproof container.
- 4) Storage buildings must be detached from any dwelling house.
- 5) The store or safe must be kept locked at all times except when fireworks are being put in or taken out.
- 6) A permanent notice bearing the words “NO SMOKING OR NAKED FLAMES” in two inch red block lettering on a white background must be conspicuously displayed adjacent to the store.
- 7) Where the maximum quantity of fireworks does not exceed 50 kg net mass these may be stored in substantial receptacles (whether or not a fireproof safe) inside a dwelling house or other building.
- 8) Each receptacle must be capable of being secured and should not contain more than 12.5 kg net mass of fireworks.
- 9) A substantial receptacle may consist of an iron or steel trunk box, a wooden box, a cupboard or drawer, suitably indicated.
- 10) Such storage receptacles must be used exclusively for the storage of fireworks and be isolated from other goods.

### **RETAIL STORAGE**

- 11) Not more than 12.5 kg net mass of fireworks may be kept in any room from which fireworks are sold to the public or to which the public have access.
- 12) Where fireworks are to be stored in a shop, they may be kept in a cupboard or drawer or similar receptacle.
- 13) Where fireworks are displayed in a shop, they must be kept in a showcase, provided the showcase is not situated in the window.
- 14) Where a receptacle is so situated in a shop as not to be readily accessible to mischievous persons, it need not be locked, provided it is kept closed, except when fireworks are being placed or withdrawn therefrom.
- 15) There shall be no general display of fireworks in a shop window.
- 16) Smoking is not to be permitted within the immediate area being used for the sale or storage of fireworks.
- 17) A notice bearing the words “NO SMOKING” in two inch red block lettering on a white background must be conspicuously displayed in the fireworks sales area and/or adjacent to the storage area.

### **CONVEYANCE OF FIREWORKS**

- 18) The quantity of fireworks which may be conveyed in mechanical vehicles is limited to:-
 

Commercial vehicles	112.5 kg net mass
Private vehicles	12.5 kg net mass
Public transport	NIL
- 19) Where it is required to convey larger quantities than those set out above in one vehicle, then special arrangements must be made in consultation with the Chief Fire Officer.

### **GENERAL**

- 20) All due precautions must be taken by the licensee to prevent unauthorised persons having access to the fireworks and to prevent any act from being committed which is likely to cause a fire or explosion.
- 21) If any accident by fire or explosion should occur in or about the premises where fireworks are stored, then such accident must be reported immediately to the Chief Fire Officer.

### **RETAIL SALE**

- 22) Category 1 (“indoor”) fireworks shall not be sold to a person under the age of 16 years.  
 Category 2 (“garden”) and Category 3 (“display”) fireworks shall not be sold to a person under the age of 18 years.
- 23) Fireworks sold by retail must comply with British Standard BS EN 15947 and carry a CE standard marking but the sale of the following is NOT permitted:
  - a) aerial shells, aerial maroons, shells-in-mortar and maroons-in-mortar
  - b) all bangers (including ‘batteries’ containing bangers such as Chinese Crackers)
  - c) mini-rockets
  - d) fireworks with erratic flight e.g. ground spinners, jumping crackers, squibs etc.
  - e) Category 2 or Category 3 fireworks that exceed maximum noise levels of 120 decibels
  - f) Category 4 fireworks.
- 24) The sale of fireworks by retail is only permitted from Thursday 28 October to Saturday 6 November 2021 inclusive unless the following circumstances apply:
  - i) the sale is of a pyrotechnic intended for use as a marine flare; or
  - ii) the order for the purchase and contract of sale is conducted through a website AND the fireworks so purchased are delivered by the retailer to the address provided by the purchaser.
- 25) This Licence is not transferable.
