Minutes

1. The minutes of the meeting held on 6<sup>th</sup> February 2017, having been previously circulated, were taken as read and were confirmed.

‘Parish Rates:  
payment by the  
States of  
Jersey’  
P.12/2017

2. The Supervisory Committee, with partial reference to its minute no. 4 of 16<sup>th</sup> January 2017, discussed the proposition ‘Parish Rates: payment by the States of Jersey’ (P.12/2017) lodged by the Connétable of St Helier for debate by the States on 28<sup>th</sup> March 2017 which requested the Minister for Treasury and Resources to consult on and bring forward for debate proposals for the payment of Parish rates by the States in 2018. The Connétable of St Helier said the intention was to ensure the Minister for Treasury and Resources carried out the consultation as had been requested during the 2017 budget debate and was intended to refer to the payment of both the parish and island-wide rates. The Committee, having discussed the proposition and noting that it related only to the payment of rates by the States, decided it had no comment to make thereon.
