Question

I request information on the purpose of the Westmount sub station currently being built and whether or not it was to be used in anyway to help power the proposed new hospital on Peoples Park?

Answer

This information is exempt under Article 23 of the Freedom of Information (Jersey) Law 2011. See exemption details below.

FOI exemption applied:

Article 23 - Information accessible to applicant by other means

Information is absolutely exempt information if it is reasonably available to the applicant, otherwise than under this Law, whether or not free of charge. A scheduled public authority that refuses an application for information on this ground must make reasonable efforts to inform the applicant where the applicant may obtain the information.
