

Comité des Connétables

PRESS RELEASE issued by the COMITÉ DES CONNÉTABLES on 18 March 2020

1. Parish Connétables are assuring their parishioners that they will continue to offer help and assistance to anyone in need and it is business as usual at Parish Halls.
2. Speaking following the Comité des Connétables meeting, Deidre Mezbourian, Chair of the Comité and Constable of St Lawrence, said –

QUOTE – Although the situation and advice about Coronavirus is changing daily, all Connétables want to stress that our dedicated teams at the Parish Halls will continue to offer support and assistance to our parishioners. We will, of course, be following best practice advice and guidance to reduce the spread of the virus and would ask for everyone's help with that.

So, instead of visiting, we recommend that you phone or email your Parish so that we can deal with your enquiry. We can post any forms or leaflets to you, and there are online services available, for example, to renew a full driving licence, submit a rates return or to change a name and address.

3. Parishes are following best practice, including increased frequency of cleaning and are also working together to establish contingency measures and ensure essential services continue to be delivered should staff need to self-isolate.
4. Revised guidelines have been issued for large gatherings and events and may affect some meetings. However Connétable Mezbourian added –

All Connétables are currently planning to continue with essential meetings which do not breach the guidelines, these may include Parish Assemblies to elect officers. Parish Hall Enquiries conducted by the Honorary Police are likely to be deferred but individuals will be notified by the Centenier of the arrangements.
