April, 2019

Dear Parishioners,

Once again we are appealing to parishioners and businesses to help with our efforts to build and flower this years float to enter in the Jersey Battle of Flowers parade in the Parochial class in August.

Each year we ask for help and in the past we have been very fortunate in the replies we've received, but with a new year we are hoping that some more people might take an interest in our appeal. Again this year we are going to be trying new fundraising efforts in our bid to raise the profile and funds for the Association.

Last years entry "Fire Bird" saw us take the carnival atmosphere award for the moonlight parade and once again 3<sup>rd</sup> in the Parish class. This year we are aiming high with something different. The float this year is based on the film Avatar so it will be very colourful and full of detail.

As well as the float we are in the very fortunate situation that we own the shed where we build our float. However, this does come with the downside of additional expense required for its maintenance. The plan going forward is for the Association to place a sum of money aside ready for when work is required on the building. This year particularly the roof and gutters need attention.

We are a small and friendly team and without help we would not be able to continue. If you feel like you would like to get involved with the Association, don't hesitate to get in contact with us and join our Facebook page.

May we take this opportunity of thanking you in advance for your new and continuing support.

Yours sincerely

Mike Jackson (Connétable)

Daniel Avrill (Chairman)
