

St Brelade Community Support Group

St Brelade is proud to offer the services of their Community Support Group.

Volunteers are available to help Parishioners who need help with shopping, visiting the bank, attending a medical appointment or collecting a prescription. Help is also available if you find forms difficult to complete, or if you would simply like a friendly person to chat to. All volunteers are Police checked and data protection compliant.

Once you have completed your form, please return it to the Parish Hall and your details will then be forwarded to our Community Support Co-ordinators, who are Thelma Durbano and Karen Wagstaffe. One will then be in touch to arrange a visit to assess your requirements from the Support Group.
