4. Licensing:

In accordance with Article 5 (1) of the Licensing (Jersey) Law, 1974, as amended, the following application was considered for recommendation to the Licensing Assembly:

Name:	Anatole Enterprises Limited
Categories:	3 rd Category (Restaurant Licence)
Secretary:	Mr Frank Callaghan
Business Address:	Murray's La Neuve Route St Brelade

The Connétable then asked for the representative of Anatole Enterprises Limited to talk about the proposal.

Advocate Simon Young of Bois Bois explained that the application was for a basic transfer of the current licence to new ownership as the current owner being Murray Norton is now a member of the States. The company Anatole Enterprises Limited has been established since 1995 and owns Eulah Country House. The premises Murray's will remain the same in name, staff and food, being literally a transfer of licence.

The Connétable asked if there were any questions from the floor.

Centenier Michel Bougeard asked if the opening hours were to remain the same. Advocate Young replied that as far as he was aware they would remain the same.

The Connétable then read excerpts from the reports obtained as required by Law. Environmental Health commented that the condition of the premises was satisfactory for the transfer of a licence and that the sanitary accommodation is sufficient for 60 persons. The Fire Service mentioned that servicing of lighting and exit signs was required, they also stated that if planned refurbishment was not started from 6 months from the date of their report then a suppression system will be required above the cooking range. They also stated that occupation of 60 persons was acceptable. N V Bate Associates, Structural Engineers commented that although there was background music playing in the café it was not enough to be of nuisance to the occupant of the flat above or premises to either side of the building and that the business has been operating successfully for a number of

years and therefore should not cause a nuisance to the surrounding area.

There were no further questions.

Recommendation of the application to the Licensing Assembly was proposed by Deputy Murray Norton and was seconded by Mrs Anna Norton. Following a vote by a show of hands the item was supported by 17 votes in favour with 0 votes against.

The Connétable advised the Assembly that the Licensing Bench was to be held on the 19 March 2015, and that only persons who asked questions at the Parish Assembly were permitted to speak at the Licensing Bench Assembly.

In thanking the remaining 19 persons for their attendance the Connétable declared the meeting closed at 19.20 hours.
