Dear friend and supporters

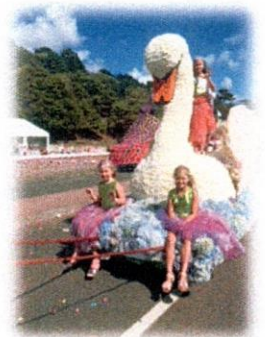

We would like to say an enormous thank you to everyone who contributed to making our 60<sup>th</sup> year on parade such an enormous success. We were delighted to once again find ourselves in the top two with an exhibit we could all be truly proud of. The rain was unable to dampen our spirits and in true tradition, the sun shone all afternoon showing off the amazing, painstaking work of the dedicated members of our team.

Not only did we secure the Prix d'Excellence - our 18<sup>th</sup> in 60 years – the exquisite work on Puss in Boots was recognised with another Best Set Piece Award for the team. In addition, the outstanding costumes once again took the Channel Television Trophy (Best Costumed Award).

Despite our great success, 2018 was not without its many challenges and without the dedication, commitment and sheer hard work of so many people; we could not have created an exhibit of such a high standard. This year was always going to be special – our 60<sup>th</sup> entry and the first team in Battle history to reach this milestone. As a parish, we have a proud history and an outstanding track record of success. Moving forward, we now hope we can continue to grow our team and encourage more families in the parish to get involved. We are also continuing our search for a permanent building location in the parish so our work can truly be at the heart of parish community life.

Finally, enormous thanks and congratulations to our Junior Miss St. Clement and her family for producing a fabulous junior exhibit. We do hope that this marks the beginning of a new chapter in our history where the younger generation are encouraged to get involved and enthused to take us forward for at least another 60 years!

With our sincerest thanks and good wishes  
The Committee
