

**St John is planning a commemoration on the 11th
November 2018 to mark the end of the First
World War**

**We would like to put together a photographic
exhibition of our Parishioners who served their
Country during this conflict**

**If you have any photographs of your family
members or relatives in uniform, or of the Parish
itself at that time in history we would be grateful
if you would lend them to us so that we can
showcase the sacrifices of the people of St John
Thank you in advance**

Christopher Taylor, Connétable
