

Dog Licences 2022 Guidance

All dogs must be licensed each year under the Dogs (Jersey) Law 1961.

Each year you are obliged to complete the licence application form as you are declaring that you continue to accept the important responsibilities of being a dog owner pursuant to the law, such as but not limited to: proper control near livestock, on the lead beach walking restrictions and removal of dog waste.

The licence fee is **£10 per dog due by 31 Jan** each year; the statutory regulations require **that late applications fees (i.e those made after 31 Jan in any year) rise to £20 per dog.**

You can print the form at home and deliver it to the Hall's post box enclosing the fee or we can send you a form in the mail. If you wish to pay by credit card, please note this on your form with your preferred daytime telephone number. **Note we cannot process your payment over the telephone unless we have your application form.**

FAQs:

- Each licence is specific to one dog and is not transferable;
- You do not need a licence if the puppy is younger 6 months; &
- You do not need a licence if the dog is a used solely by a blind or deaf person for their guidance.

For more information and application forms for a licence, please call in to the Parish Hall (9am to 3pm Mon to Fri closed Weds) or call 861672 or email parishoffice@stlawrence.je and further info is on Google or our website.
