

## S'Marteenies: Liberation 75

Dear S'Marteenies,

We hope that you're all happy and well – it has been so sad not to be able to meet with you every Thursday Morning for our usual Worship, song and crafts. But we have not forgotten you and look forward to seeing you back again soon!

In the meantime, we thought it would be great to make some flags together, to celebrate the Liberation of Jersey, and to thank God for the love and the peace he offers us.

So have a look at the craft activity below and give it a go.

Why not take a picture of your flag and send in into church ([stmartinsrector@gmail.com](mailto:stmartinsrector@gmail.com)) and we will put them up on our Facebook Page (@stmartinschurchjersey).

We hope to send out some more crafts and activities for you to make and share in the coming weeks.

With Every Blessing

Rev Jonny and the S'Marteenies Team.

x

Let's make a flag together for Liberation Day and display it in our home, garden or a pot!

Using material, old white T-shirt, paper or card, draw an outline of the flag.

Then paint, colour, stick tissue paper to make the red cross.

You may need an adult to help you with the badge and crown in the middle plus words from the Bible.

“Let the peace of God rule in your Hearts” (Colossians 3:15)

Then attach a garden cane, straw or stick down one side with Sellotape and you have a flag to display!

Happy Liberation Day on 9 May to you all!

Keep smiling and stay safe!

*God's hands will lead you  
God's eyes will watch over you  
God's ears will hear your prayers  
God's arms will protect you  
God's words will encourage you  
and God's love will fill your heart  
AMEN*

God's blessing from the S'Marteenies Team
